Brother NS80E (2) MSRP \$699*

Pfaff Ambition 610 (2) MSRP \$1,595*

Viking Opal 650 (2) MSRP \$1,049*

We'll be celebrating 40 years of sewing fur all week, but we want a party!

We're planning a very special anniversary bash! Join all of your Expo friends for music, refreshments, fun 'party favors', and great memories from 40 years of our shared passion for sewing.

Watch your email for all the info. You won't want to miss this!

The Sewing & Stitchery Expo is excited to partner with *Project Linus* again this year for a fun opportunity to serve our community.

Named after the security blanket-toting character from the Peanuts® comic strip, *Project Linus* is a non-profit providing blankets to children in need—providing a sense of security, warmth, and comfort during some of their most difficult times. There are two ways to participate:

At Home. Bring your new, handmade blanket that is quilted, tied, crocheted or knitted to Expo. There is no pattern requirement, but blankets should be between 36"×36" and 66"×90". Pattern ideas at www.projectlinus.org. At Expo. Create a handmade blanket at Expo. Throughout the show, visit the *Project* Linus area to demo a BERNINA serger and create your own one-of-a-kind blanket for children in need.

Prizes provided by Quality Sewing & Vacuum

Need not be present to win. To enter the daily drawing, submit your hand-filled entry at the door prize booth (Pavilion south entrance) wing each days' drawing. *Manufacturer suggested retail price. Prizes ole for cash. Any additional costs including, but not limited to, transportation of prize to winner's home and any taxes aiming this prize are the sole responsibility of the prize winner

Since 1995, Project Linus has grown to more than 300 chapters across the United States and donated more than 9 million blankets. The Pierce County chapter was formed in July 2021 and has delivered more than 3.000 new, handmade blankets—which means 3,000 kids have received a blanket hug when they needed it most. You can help us to continue this effort and provide comfort to children in need.
